

## Les mini-gapettes de VERA à colorier et assembler

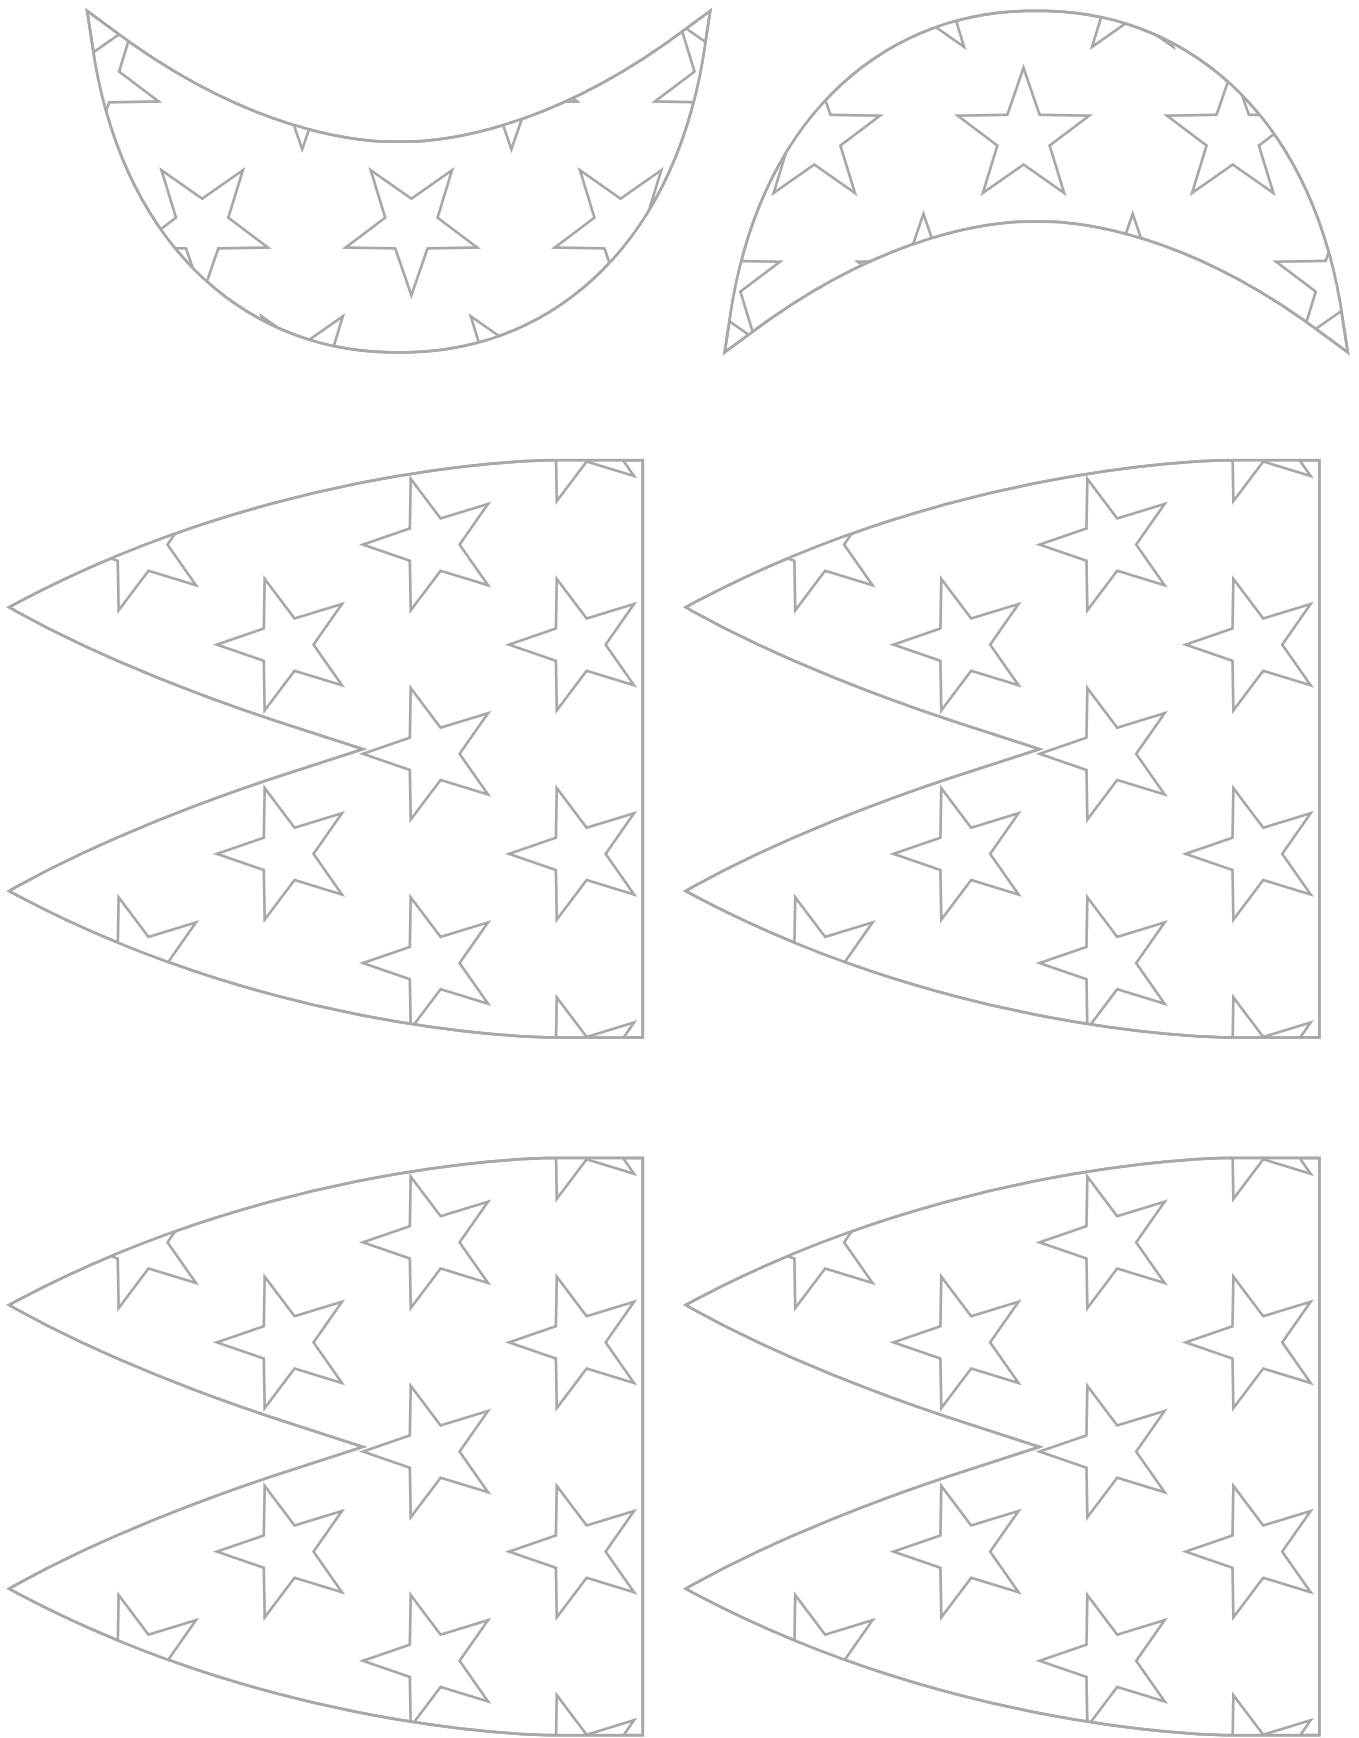

1. Imprime les patrons
2. Dessine dedans et colorie les éléments
3. Assemble avec du scotch les différentes parties :
  - commence par rejoindre les pointes des "bonnets d'âne"
  - assemble les 4 "bonnets d'âne" pour créer la tête.
4. Colle les visières du dessus et du dessous ensemble avec de la colle.
5. Scotche la visière sur la tête - et voilà !
